Faculty

The President

Dr. R. L. Brantley

In his first year at Virginia Intermont, Dr. Brantley has made V. I. ideals, aims, and customs his own. He has brought with him a slow, warm smile, a Georgia accent, and a gift for making friends.

Dr. Brantley received his A. B. and his M. A. degrees from Mercer University and his Ph. D from George Peabody College. He has held positions on the faculty at Bessie Tift College, Mary Hardin-Baylor College, University System of Georgia Evening College, and for two years he acted as Editor of the Southern Automotive Journal.

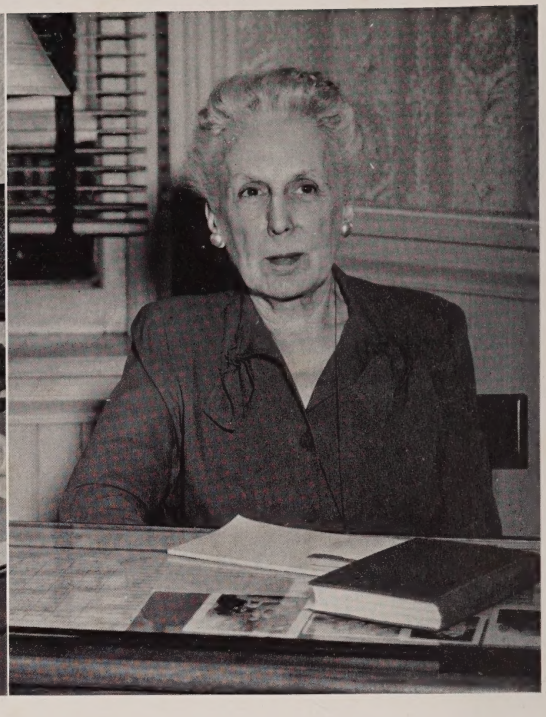
ADMINISTRATION

The Business Manager

Mr. S. O. Snodgrass

Mr. Snodgrass came to Intermont three years ago, and since then, he has made many permanent contributions to the efficiency and good name of the school. He is as "business" as his title indicates, but that factor never interferes with his being courteous and helpful. We will remember him best as our "projection man".

Mr. Snodgrass received his A. B. degree from Emory and Henry College. He has taught in Liberty Hall, Virginia High School and served as principal of Barrack, Virginia High School.



Miss Wright

Dean of Women

Miss Wright came to V. I. last year, and she has since graced her office with poise and dignity. Her council is friendly, and her interest in the girls and their problems is genuine.

Miss Wright received her A. B. degree from the New York State College for Teachers, her Th. B. from the Gorden College of Theology and Missions, and her M. W. from Columbia University. She has taught in New York high schools, and at Caney Junior College and Pikeville College in Kentucky. She has acted as principal of the Middle English Girls' School, Tura, Assam, India, academic dean of Bethel Women's Colleges, assistant academic dean at Ward-Belmont, and director of testing and instructor in Psychology at Centenary College.

Mrs. Seay

Assistant Dean of Women

"Mumsie" has been at Intermont for many years. She has made it a little her own, in every capacity in which she has served. Hers, too, have been refined charm, and the old-school culture. "Mumsie" has been for us the embodiment and standard of everything ladylike.

She has won the affectionate title of "Mumsie" for herself by making every girl on the campus a personal friend and by making every girl feel that she is free to come to her for encouragement and advice. Her dry wit and personable smile have become familiar in every dorm room, by reason of her frequent "dropping in" for chats.

ADMINISTRATION

ADMINISTRATION

Miss Easley

Religious Director

As director of our religious activities, Miss Easley has done a splendid job, but as guardian of the Pin Money Loan Fund, and as friend and confidante, she has done infinitely more. This is her first year here, and her niche has already been carved deeply.

Miss Easley received her A. B. degree from Carson-Newman College and her M. R. E. from the W. M. U. Training School. One of Miss Easley's outstanding accomplishments this year was the sponsoring of a Religious Focus Week, the first for V. I. Religion, with no denomination stressed, was emphasized as an integral part in all phases of our everyday life.

Cheerful friendly Martha Bill sets a shining example of the good, true, and beautiful that V. I. students will long remember.

Miss Pflug

Dean of Faculty

Miss Pflug, in her thirty-two years here on the hill, has come to be the symbol of all that is Intermont. There is no finer tribute.

Miss Pflug studied at preparatory schools in Prague, Austria; Berlin, Germany; and Luzanne, Switzerland. She received her Ph. B. and A. M. from John B. Stetson University, her A. M. from Columbia University, and she has done graduate work at the University of Chicago, Columbia University, the University of Berlin and the University of Geneva. Plus her many duties as Dean of Faculty, Miss Pflug is also professor of German and French. She not only speaks three languages fluently, but reads and understands a great many more.

"Ma petite cabane dans les bois", speaks Miss Pflug fondly of her cabin, Rocky Nook, located in the nearby foothills of the Blue Ridge. At her cabin or in the most cultured of circles, Miss Pflug remains refined, gentle, loved by all.

MRS. WILLIAMS—Her aim is to create future scientists for the betterment of humanity and in her two years at V. I., she has become our advisor, our pal, and our champion. She received her A. B. and M. A. degrees and is a member of Sigma Zi fraternity.

AND GENERAL CULTURE

LIBERAL ARTS AND GENERAL CULTURE COURSE

The Liberal Arts Course is an adequate preparation for entrance to the junior year in any four-year college or university. The students are well trained in both literary and scientific subjects and they have had thorough instruction in the social sciences, history, sociology and psychology. Thus, this course of study presents a sound, interesting, and widely diversified curricula, intended to mold girls into well-informed and cultured women.

For girls who plan for only two years of college, there is the General Culture Course. This course is designed to include a little of the literary, with ample time allowed for electives in various other departments. This course provides a background of intellectual and aesthetic training, which fits the students for almost any sort of specialization if they later choose to further their education in business or professional schools.

MISS JONES—Launching her career in art at a very early age, Miss Jones has had professional training at well known art schools in New York City, Baltimore, Boston, and Chicago. She has made our Art studio comparable to a professional institute, in which all phases of commercial and fine arts are taught.

MRS. NAFF—An accomplished performer as well as instructor, Mrs. Naff received her A.B. degree from Emory and Henry College and a diploma in voice and piano at V. I. She was chosen for *Who's Who in American Colleges and Universities,* and is an active member of Alpha Beta Chi.

MISS PASHLEY—Laughing eyes and beautiful music interlace the personality and character of Miss Pashley. Her hobbies are comprised of a love for cooking and directing church music. She has studied in New York and New England.

MISS ROUSE—A graduate of V. I., Miss Rouse is a "returnee" we are more than proud of. She has a B.M. degree in violin and in public school music. While in college and after graduation, she was a soloist in several prominent symphony orchestras.

MR. SCHROETTER—"Pop" is a gentleman farmer, a writer of philosophy, and a master of his art. He holds a Doctorate in Music, and has traveled and studied abroad, especially in Berlin, where he lived for three years.

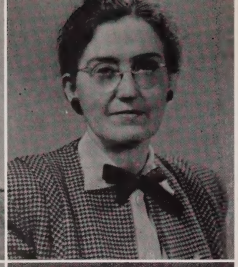
MRS. SCHROETTER—Directing the Glee Club, (which she has taken on many tours to Army and Navy hospitals and camps), and serving as faculty advisor of Phi Beta, are a few of her numerous activities. Our "mother of music" is Second Vice-President of the Virginia Music Clubs, and was chosen by the Federation for the roster of outstanding Virginia composers.

ARTS

FINE ARTS COURSE

The study of Fine Arts is regarded as being of inestimable value to the student who is seeking culture. Music, art and the drama, offer limitless opportunities for intellectual growth and practical development of the artistic faculties. Those girls who take up this course of instruction are schooled to appreciate to the fullest sense the genius of the masters and to do creative work of their own.

Secretarial Science



MISS BLALOCK—She has won a place in V. I.'s atmosphere with her quiet and calm manner. She received her B.S. degree at Middle Tennessee State College and later attended Blue Mountain College.

MRS. MAPP—She is working on a recognition of merit form for outstanding business students. This worthwhile aim, along with her high ideals, may give a clue to her grand personality. Her background for her position, includes an A.B. degree and teaching experience in numerous southern schools.

MRS. SKEEN—Having done statistical work and acquired her diploma at Mary Washington College, Mrs. Skeen is a well qualified teacher. She is a member of Alpha Sigma National scholastic fraternity, several civic organizations, and the A.A.U.W.

MISS MILLER—A woman of dignity, efficiency, and intelligence, indicate only a few of the qualities of our beloved Miss Miller. She loves to travel and (said with a wry smile) give tests! She has attained her B.S. and M.A. degrees.

MRS. ALLEN—Cute, blonde, Mrs. Allen received her B.S. degree at the University of Alabama and later taught Home Economics in an Alabama high school. Her blythe spirit made her departure a sad one, but our very best wishes go with her as she establishes her new home.

MISS RICHMOND—She is a blonde Bristol beauty, who, in a short time, made many friends here on the campus. Miss Richmond is a graduate of Intermont and received her B.S. degree at the University of Tennessee.

MRS. PATTY—This lovely red head received her B.S. degree at the University of Tennessee. Her friendly nature and warm southern personality made friends of all her Textiles students.

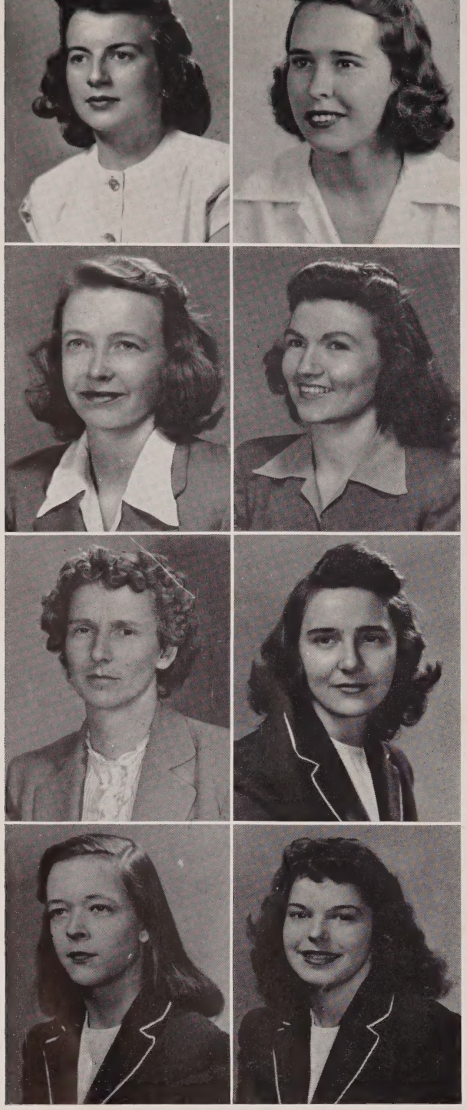
The Secretarial Science Course includes a series of studies in both the practical and theoretical divisions of business administration and commerce. Shorthand, bookkeeping, typing, and secretarial practice make efficient office workers of the students, and the courses in theory fit them to fill responsible positions of authority.

Giving us the most practical benefit in later life, and preparing the young women of today to meet any emergency which may arise in the home, is the purpose of the training in the Home Economics Department. Our courses in Foods and Nutrition, Textiles and Clothing, and Home Management are the courses that give us a stable background of homemaking. By holding up high ideals and offering constant opportunity for artistic and scientific practice, we can endeavor to lay a strong foundation upon which the life of the homes we build can depend.

PHYSICAL



MISS BOYD—With a commendable background, which includes a B.S. degree at William and Mary, and membership in the National Orchesis, Kappa Alpha Theta, and the A.A.U.W., Miss Boyd has successfully engineered the formation of a Junior Orchesis chapter at V. I., begun a traditional Christmas recital, and is credited with the founding of a costume department.

MISS DROSTE—At Farmville State Teachers' College, where she received her B.S. degree, Miss Droste was a varsity star and a member of Alpha Sigma Tau. At V. I., she has formed the H_2O Club, started the custom of presenting a water pageant annually, and introduced interscholastic competition.

MRS. EDWARDS—A slow Carolina drawl engulfing a make-up of sincerity, understanding, and encouragement, compose the inspiration offered by Mrs. Edwards to each of us. With her skill and knowledge, she is rightfully a tutor of her profession.

MRS. ROGERS—Her lively personality and initiative for getting things done made Mrs. Rogers one of the most admired faculty members. She has for her background, a B.S. degree from the Woman's College of North Carolina, and graduate work at New York University.

MISS STEVENS—A true lover of horses, Miss Stevens received her A.B. degree at Lake Forrest College, Illinois, her certificate of riding at the U.S.A. Post at Fort Sheridan, Illinois, and is a member of the National Riding Committee. With her capable handling, she makes expert riders from the worst of us.

MISS TAYLOR—Freddie is a physical education major, who is receiving practical experience by assisting in the department.

MISS MILLER and MISS KENT—Two of our outstanding riders in the Senior class who assist in the riding department.

EDUCATION

The Physical Education Department has presented to the students a well-rounded Physical Education program of both individual and competitive sports, and rhythmic and corrective activities. The program has been extensive in developing sportsmanship and co-operativeness among the students in preparing pageants, horse shows, recitals, and in inter-scholastic competition. Education for the body is as important as education for the mind. With both, the individual can develop into the kind of citizen we want in our future.

Susan Ackiss—Here's a gal with a smile for everyone! Those dancing eyes and intriguing voice, along with such characteristics as sincerity, generosity, dependability, and lovable wit, invite a friendship that remains everlasting. Sue has been a notable member of the Art Club, Glee Club, Army-Navy Brats, Washington and Maryland Club, and the Boots and Saddle Club. Just stay yourself, Sue, and you'll always be a winner!

Arlene Alexander—A quiet personality and a smile on her lips that is reflected in her eyes—"Alex". She has remained a dependable and loyal girl in all she has undertaken. Members of the New England Club and the Tip and Run Club can well verify this statement. With a spark of fun and gaiety, she is admired by all who know her!

Fanny Sue Andrew—Hailing from Pulaski, Virginia, Fanny Sue, (peppy blonde) goes for good swing music, dancing, and playing the piano. Oddly enough, she enjoys studying French as it is her favorite subject. The height of her ambition is to be a medical secretary. She's active in the Y.W.A., the Y.W.C.A. Cabinet, and the Day Students Club.

Wanda Lee Aspley—"A tiny bundle of sunshine for a spring day, emphasized by blue eyes and golden hair." A lyrical giggle introduces Wanda, who has done dependable work in the Tip and Run Club, The Little Colonels, Pan American Club, the School Orchestra, and the B.S.U. And because of her musical ability, she had the honor of being chosen for membership in the Phi Beta National Fraternity. We'll never forget this sunlit personality!

CAROLINE ATKINS—"Have you seen my newest horse?" is a familiar quotation spoken repeatedly by Caroline, who is, incidentally, speaking of her collection of pictures. If the pictures were alive, she would have several stables of thoroughbreds—which is her ambition! Caroline has served as a member of the Boots and Saddle Club and the Y.W.C.A. during her stay at Intermont, and served well. Her winning smiles and ways will not be forgotten by the class of '46!

BARBARA AVERY—A prize collection of collegiate spirit and vitality composes that gal with the funny little catch in her voice. When it comes to men, "Ave's got 'em!" When it comes to friends, "Ave's got 'em!" When it comes to looks, "Ave's got 'em!" And when it comes to activities, Ave's got them, too. They include the Home Economics Club, the Washington and Maryland Club (of which she was President), the Les Coquettes (Vice-President this time), the Click Club, May Court, and the Annual Staff. Ave's just got what it takes!

LILLIAN BABER—Tall, dark and attractive, with a voice that would soothe any savage beast—an apt description of Lil, radiant with versatility. To prove this statement, we recognize her membership in the B.S.U., the Boots and Saddle Club, School Orchestra, Glee Club, Seven Up Club, Old Dominion Club, Class Hockey and Basketball Teams. Lil was also President of the Y.W.C.A. and Vice-President of Phi Beta Fraternity, and a gal who will always remain very special in our hearts.

MARY NELLE BEETS—A gal who loves food and proves it by her last name, her home town, and her man. (Name o' Bill Cabbage from Tator Hill). "Beets" will also be remembered for her fobia of falling up steps, down steps, on level ground or just anywhere, which she blames on "Slick shoes". She has also done a fine job of falling in membership with the Tennessee Club, Boots and Saddle Club, Senior Basketball Team, Y.W.C.A. and the Y.W.A. An intriguing voice, sparkling wit, and a captivating personality will ever remind us of one of our favorite vegetables!

MARILYN BENNETT—A medal for bravery goes to our mail gal, who has remained undaunted by our malicious blows whenever we didn't receive "that" letter. Her bright smile and soothing words ("Maybe tomorrow!") have brought untold comfort to our sinking hopes. But Marilyn did more than play Postmistress. She was the President of the Northwestern Club, Secretary of the Junior Academy of Science, belonged to the Boots and Saddle Club, Pan American Club, Y.W.C.A., and played on the Junior Basketball Team. So what can we say but "Thanks for being you, Marilyn. It's been swell!"

MARGARET BIERBAUM—A lass of beauty, a beaming smile, and a helping hand to all, introduces "Maggie", Secretary to the Registrar, and "everybody's friend". A prominent figure in our May Court, the Annual Staff, Old Dominion Club, gives reference enough to a girl whom V. I. will always regard with pride!

GEORGIA LOU BIGGERS—Hair of flaming red, about 5'7", laughing green eyes, and an exclusive personality of subtle wit, touched with thoughtfulness, compile the statistics of Georgia Lou. A perfect member for the Red Head's Club, Pan American Club, Seven-Up Club, S.C.U., Little Colonels, and a capable member of our Student Council. Need more be said for such a versatile girl?

BETTYE BOROM—Meet Bettye . . . a character of light-heartedness and a serious mind for study. She's as natural on a basketball court as behind a "kitchen range". She is a very active young lady who boasts of the Secretaryship of the Army Brats and Navy Juniors Club, and membership on the Annual Staff, Boots and Saddle Club, B.S.U. Council, Home Economics Club, and the Tar Heels Club. Keep it up, Bettye, and we'll remember to say "We knew you . . . when".

Barbara Bowden—"I'll be in there a 'rootin fer ya'!" These comforting words could be offered by no one but our rowdy red-head, "Priss". A special feature of this Tennessean belle is her voice. Nothing from the melodious strains of an operatic aria to the "Wabash Cannon Ball", escapes the ears of anyone in Senior Hall. "Priss" possesses a zest for living to be envied by everyone, and a list of activities to prove it. Her two years at Intermont include membership in the Glee Club, Tennessee Club, Phi Beta, Y.W.C.A., Student Council, Annual Staff, Les Coquettes, and the Y.W.A. Don't worry, "Priss", we couldn't forget you!

Dolores Bryant—"Yea, Team!"—This familiar shout sings from the lips of one of our illustrious cheerleaders, Dolly. The gal in question owns a head of silky dark hair, bewitching black eyes, and a smile that spreads from ear to ear. Five minutes with Dolly and you realize that Maryland can boast of something better than horses! The gal has quite a variety of "campus duties", including membership in the Home Economics Club, Boots and Saddle Club, the May Court (which is a simple "duty" for this one), Secretary-Treasurer of the Washington-Maryland Club, Click Club, and Treasurer of Les Coquettes. What more could we ask for?

Anita Bullock—Introducing Virginia Intermont's version of perfection—"Neets", and our own private prima donna! We've all got big plans for this young lady, a quick rise to fame, and a certain guy called Bill. "Neets" was our lovable Song Leader and sponsored our victory by her untiring work. She was also a capable President of our Phi Beta Fraternity Chapter, Portrait Editor of the Annual Staff, a prominent member of the Glee Club, Curry Club, Little Colonels, Seven-Up Club, S.C.U., Athletic Council, Y.W.C.A. Cabinet, a Torchbearer of the Junior Class, and the winner of the Margaret Noffsinger Memorial Scholarship. We owe a lot to you "Neets", and all we can say is "Thanks!"

Laura Cantrell—"Gotta go to play rehearsal!" rings the familiar cry of "LaRue", a young actress of whom Intermont boasts. She can be found most anywhere on the campus with her nose in a playbook. She is a busy young lady, acting as Vice-President of the Delta Psi Omega, and a member of the Curry Club, Y.W.C.A., the Annual Staff, Junior Academy of Science, the Gator Club, and the B.S.U. Council. And even though she'll make the headlines some bright day for her acting ability, we shall remember her not as a great actress, but as the gay, lively, energetic gal we all knew at school!

DOROTHY CARMODY—5'2", brown eyed, brunette "Dottie" is "chuck" full of energy and initiative. "Mercy," exclaims Miss. D., if surprised by someone's wild tales. This chalked up to her credit as a day student and a dignified senior—membership in the Delta Psi Omega and President of the Day Students Club. She can be found at odd moments going over a Spanish II book in preparation for her "pet" brain-twisting class. "I guess above all, I'll remember the plays at V. I.," says the pert "Tennessean" after pondering a moment. Majoring in Liberal Arts, "Dottie" plans to enter U.T. to top off her college career.

CELESTA CARTER—Whether "Casey" has waltzed with this strawberry blonde or not, we're not sure . . . but no doubt he'd certainly like to. Light-hearted Celesta can be found somewhere in the bleachers at any football game . . . cheering from the depths of her vocal box. For her life's work, "C.C." thinks to be a wealthy man's secretary would be strictly "O.K." She's a member of the Day Students Club and the Y.W.C.A.

MARY HARPER CARRIER—"Lights please!" in an unusually gentle tone, faithfully follows the ringing of the "lights out" bell every evening. The remark is followed by a saucy little redhead with a widening grin standing at the door, and we know it's Harper, putting us to bed once more. Harper has lent valuable time and work to the Glee Club, the Phi Beta Fraternity, Y.W.A., Southern Belles, the Red Head Club, and the Student Council. A wonderful little gal from a wonderful little town!

JUNE CHEATHAM—"Poise personified" is a good description of this Virginian lass, as she briskly goes about her work with a strong, quiet determination. She has served as Secretary and Treasurer of the Old Dominion Club, Treasurer of the Click Club, held membership in the Home Economics Club, Boots and Saddle Club, the Annual Staff, *Cauldron* Staff, B.S.U. Council, Les Coquettes, Seven-Up Club, and the Y.W.C.A. Keep it up, June. We've got an eye on you!

JANE CHICHESTER—Strictly from the South, this charge of dynamite has made a lasting impression on V. I. Her startling witticisms, gay laughter and chatter can capture anyone within five minutes. She made her debut in our May Court of '46, acted as President of the Alabama Club, Vice-President of the Army Brats, Publicity Chairman of the Junior Academy of Science, a member of the Tip and Run Club, Les Coquettes, Curry Club, Y.W.C.A., Y.W.A., and played on the Senior Hockey Color Team. Here's a wish for the best the world can offer you.

DORIS COFER—Dependable, capable, good natured, loyal, and lovable are the characteristics of our faithful former Secretary of the Student Government. Dot is a friend to everyone and a leader of many of the campus activities. She was Secretary of the Home Economics Club, Vice-President of the Old Dominion Club in her Junior year and President her Senior year, a member of the Annual Staff, the Rules and Regulations Committee, Y.W.A., Nominating Committee, and the Y.W.C.A. We salute you, Dot!

MARY VIRGINIA COMBS—Mr. Cooke's senior *Hamlet* tests have been known to upset more than one weary English student and Mary Virginia remarks, with emphasis, that she is no exception to the rule. Eatin' 'n a sleepin' and a sayin', "It amuses me no end", are favorite pastimes with this comely blonde, possessing big electric blue eyes. Going in for heavy drama seems to be a specialty with M. V. . . . as the "slightly tetched" Jonathan of "Arsenic and Old Lace", this little Bristol actress chilled the audience to the bone. Activities that M. V. holds membership in are Delta Psi Omega, the Curry Club, and the Day Students Club. Plugging away at a liberal arts course, Mary Virginia hopes to gain her "walking papers" to University of Tennessee.

DOROTHY JANE COX—"Have you heard about Ray?" This line could be uttered by no one except—you've guessed it—"Dee Jay"! There is a definite interest shown at all times in this certain lucky fellow. However, her "side interests" involve the Glee Club, Y.W.C.A., H_2O Club, Student Government, Pelican Pals, Les Coquettes, and the Annual Musical. We've got interests too, and one of them happens to be of a special, attractive, all-round gal, name o' Cox!

KATHRYN CRAFT—She's President of the Tar Heels Club, and rightly so. For with that North Carolinian drawl, we can recognize "Kat" a mile away. Except when she's playing another character on the stage (her dramatic ability elected her to Delta Psi Omega when she was a Junior!), Kat remains the same sweet lovable mite of a gal always, and we wouldn't allow her to change! She became a member of the Curry Club, Y.W.C.A., the Click Club, and the Y.W.A. and was a faithful worker in each.

ELINOR CRUMLEY—This quiet, pretty, blue-eyed blonde would hold a place in anyone's heart. Her friends over in the Day Students Hut claim she's only reserved until you know her, however. Then they say she's as fun-loving as the next fellow. "El" has accomplished the art of playing the piano. She's an asset to the senior class and Day Students Club.

JEAN CUSHMAN—A small representative of such a famous state . . . but only in size. Why, just that smile Jean is always wearing would spread all over Kentucky! She has taken a big part, for a little girl, in the Art Club, Y.W.C.A. and the Kentucky Club. We're going to miss you, Jean . . . in a big way!

MARGARET DEARSTONE—One of these days, some privileged guy is going to have a perfect wife. We're speaking of Margaret, of course. She's been an active member of the Home Economics Club and possesses all the special requirements for the "job". She has also performed definite duties in the Art Club, Y.W.C.A. and the Tennessee Club. We'll be waiting for that announcement, Margaret, and wishing all happiness to a mighty wonderful girl!

HELEN DRUMWRIGHT—"Beauty and brains combined" describe our "Drumbeat" to a "T". Being an industrious character, she has taken part in the Glee Club, the Boots and Saddle Club, the Annual Staff, Old Dominion Club, *Cauldron* Staff, the May Court, the Home Economics Club, Y.W.C.A., and has been the loyal Secretary of our class. "Drumbeat" offers a gracious personality with a blend of natural sweetness and sincerity.

ONEITA EDWARDS—A blonde ray of friendliness speaks well of "Nita". Serving in the Old Dominion Club, the Boots and Saddle Club, and on the Nominating Committee, Nita has proven herself a girl of superior standing in every way.

PATRICIA EGGERS—Pat's pleasant personality and sincere friendship make knowing her a lasting memory. During her stay at Intermont, Pat has been active in the Seven-Up Club, the Ohio Club, Y.W.C.A., Boots and Saddle Club, Home Economics Club, and the Curry Club. Luck to you, Pat, in whatever your destiny holds.

FRANCES ELKINS—Melodies of gold sing forth at the touch of her fingers! "Elk" has been the sedate and quiet girl who pursued knowledge in a graceful, gliding fashion. Her duties as Secretary of the Phi Beta Fraternity Chapter were performed with precision and loyalty. She has also been an invaluable member of the Glee Club, Y.W.A. Council, the Roanoke Club, Student Council, and the Tip and Run Club. With such a love for the aesthetic, people, and music, Elk will forever live in our hearts.

EVELYN EPSTEIN—Quiet until you know her, then a treasure of friendliness, sincerity, efficiency, and wit. She has been a member of the New York Club, the Art Club, B.S.U., and the Y.W.C.A. Her two years at V. I. have been indeed a merit to the school, and her friends.

EDYTHE FLEENOR—"Edie", our gay, laughing beauty; as refreshing as a new spring shower. She offers her talents to the Phi Beta Fraternity, Curry Club, Glee Club, the May Court, Nominating Committee, Tip and Run Club, Annual Staff, and the Y.W.C.A. Council. How could we forget such a vivid personality, bubbling eternally with irrepressible good nature?

If you want a few chores done—such as mopping your floor . . . getting dates for the saddest creatures that you know . . . a bit of washing on the side . . . ask for Ferguson as she's one of V. I.'s most willing workers. A bright spirit and a twinkling smile top off the attractive Bristolian who graces the membership lists of the Y.W.C.A., the Day Students Club, the Home Economics Club, and the Annual Staff And remember, if you need help, see "Fergie."

BETTY JO FLETCHER—"Miss Pflug will see you now. What are you trembling about?" asks Betty Jo Fletcher, the Dean of Faculty's competent and well-liked secretary. Along with working, this striking brown-eyed brunette divides her day into other activities and the usual (you just can't get out of it) classes. Membership in the Y.W.C.A. and Southern Belles round out a day's schedule for this busy and industrious lass.

JULIETA FONSECA—A lovely Latin beauty, and dazzling with an exclusive charm which will forever remind us of our own Julieta. Working as House President of Administration Hall, and Secretary-Treasurer of the Pan American Club, she has truly made personal to us a "good-neighbor policy". She has also been a member of the Home Economics Club and the Modern Dance Group.

JO ANN FOWLER—Could any of us ever forget the success of Jo's characterization of the little German doctor in "Arsenic and Old Lace"? We could not. We shall remember Jo as one of the biggest little girls we ever knew. We are quite oblivious to her size, however, especially when we behold her masterfully riding one of V. I.'s most spirited nags. Jo has belonged to the Curry Club, the Delta Psi Omega, the Boots and Saddle Club, the Athletic Association, the New England Club, Les Coquettes, and made the Senior hockey varsity team! How true the quotation, "Big things come in small packages!"

BARBARA FOX—A heart of gold, studious, and a good nature are the ribbons that tie up a valuable parcel stamped "Barbara". These "ribbons" have also tied up many duties of the Tennessee Club, Home Economics Club, Pan American Club, and the Y.W.C.A. A gal that's strictly unforgettable!

HELEN FRAZIER—Quiet, sincere, and reserved with a southern charm all her own. Helen is justly President of the Southern Belles, and a member of the Junior Academy of Science, Click Club, Y.W.C.A. and Les Coquettes. With those Helenistic qualities, success is bound to follow Helen.

SARAH JANE GAINEY—A glimpse of a freckled nose, a pair of sparkling hazel eyes and a mass of strawberry curls introduce "Red", a lass as luscious as a Florida orange. Active in almost every department, Red has been President of the Redhead Club, Senior Hall, (Assistant President of East in her Junior year), Secretary of the Art Club, a member of the Gator Club, Seven-Up Club, Boots and Saddle Club, Y.W.C.A. Cabinet, Annual Staff, Les Coquettes, Click Club, and, to boot, she was chosen for Varsity Volley Ball and Soft Ball.

MARY LEE GARDNER—If it's amiability and friendliness you are seeking, look up charming Lee. Vice-Presidency of the Tar Heel Club, and membership in the Click Club, Seven-Up Club, Y.W.C.A. and the Student Council, make up a short history of a well-rounded girl!

PHYLLIS GATES—Quick wit, fun-loving, and ever ready to lend a helping hand sums up —"Phil". Activities of her Junior and Senior years have taken in the Home Economics Club, Y.W.A., Les Coquettes, Curry Club, Social Committee, Y.W.C.A. and the Senior Hockey Team. We name her as one of our favorite seniors.

JO ANN GENTRY—A true Georgia peach—our little Jo. Quiet sympathy, understanding, wit, (though she doesn't realize it!) sincerity, brilliance, demurness, and a million more are the things that make up the Jo we all love. She has participated in the Y.W.A., the Annual, (Assistant Copy Editor), Georgia Peaches Club, Phi Theta Kappa, Student Government, Social Committee, S.C.U., Les Coquettes, the Canterbury Club, and was our loyal and capable Editor of the *Cauldron*. Oh, yes, and just mention the name "Bill" and notice the twinkle in her eyes!

Jeanne M. Grace—A ball of fire from up Ohio way, spontaneous with a matchless wit, charm, generosity, sincerity, good naturedness, priceless friendship—a strong and lovable personality. She has been an outstanding member of the Athletic Council, Boots and Saddle Club, the May Court, Social Committee, Junior Academy of Science, Y.W.C.A., Ohio Club, Seven-Up Club, Varsity Hockey Team, a capable News Editor of the *Cauldron*, and Assistant Portrait Editor of the Annual Staff. Everyone knows her—who could forget her?

Jeanne Griffin—A queen of talent—Jeanne, with a sterling character, affability, sparkle and charm. The make-up of her stay at Intermont includes membership in the Glee Club, Curry Club, Boots and Saddle Club, Delta Psi Omega, Tar Heel Club, Les Coquettes, Click Club (of which she was President), Tip and Run Club, Y.W.C.A. Cabinet, the *Cauldron* Staff, and the Y.W.A.

Sally Harvey—If you happen to hear a slow "Tidewater accent" just around the corner, you can bet your "bottom dollar" that you'll meet Sally on the next turn. You'll recognize her by her long blonde hair, sky blue eyes, and slow becoming smile that would fit no one but our lovable Sally. Illustrious as a member of the Boots and Saddle Club, Y.W.C.A., Old Dominion Club, and the Y.W.A., she has made her life at Intermont a profitable one for her fellow classmates as well as herself.

Betty Waugh Hutchens—Although "Hutch" is making her abode "up north" now, she is a little Tar Heel from way back. She has a friend in every room at Virginia Intermont, and this is no surprise when you consider her general "make-up", which summed up is an unsurpassable sense of humor, generosity, sincerity, poise, a figure the Varga gals would envy, and a magnetic personality. She has taken part in the Boots and Saddle Club, school orchestra, Annual Staff, Click Club, Secretary of the Tar Heel Club, and Pledge Captain of our Phi Beta Fraternity Chapter.

MARY W. JOHNSON—"Let's give fifteen cheers for Johnnie!" — a cry that enters into Virginia Intermont's every game! And why not? Johnnie's just a born versatile leader. She's served as Secretary of the Click Club, Treasurer of the Home Economics Club, Secretary and Treasurer of the Athletic Association, Social Chairman of the Tip and Run Club, Associate Sports Editor of the Annual, President of the Pennsylvania Club, and Captain of the Senior hockey team. She has been a "mere" member of Les Coquettes, Boots and Saddle Club, Seven-Up Club, and the Varsity hockey and baseball teams. Johnnie, could we have your autograph?

IRENE JONES—Pen pushing letters to "Bob" is a favorite pastime of "Ginger's", who is as tasty a "spice" to the class of '46 as her nickname indicates. As Secretary-Treasurer of the Gator Club, Vice-President of the Y.W.C.A., and a member of the Boots and Saddle Club, Seven-Up Club, Annual Staff, Les Coquettes, Curry Club, and Varsity softball and volley ball, Ginger has proven to be a loyal, dependable, grand all-around gal. She's one of the "Jones girls" we couldn't forget!

DOROTHY JEAN JOINER—Who's the gal with the flashing smile and throaty laugh? Why, it's none other than Dot Joiner of the "Apt. B. Joiners". Dot has made quite a stand for herself at Intermont, taking part in the Home Economics Club, Les Coquettes, Y.W.A., Little Colonels, Y.W.C.A., and the Senior hockey team. This gal has also an uncanny way of keeping everybody on the "bright side of life". So, when you're blue, just buzz over to Senior to see this manufacturer of happiness!

LAURA KASH—Are you about to "give up the ghost"? Then amble over to Hodges and ask for Laura. Five minutes of her slow, easy going talk will "stitch" you up as good as new! Serving as President of Hodges Hall, Vice-President of the West Virginia Club, Vice-President of Student Government, Treasurer of the Y.W.A., President of the Junior Academy of Science, a member of the Y.W.C.A., and Boots and Saddle Club, has emphasized the enviable superior qualities she possesses. HELEN MAE KEESLING—"She's lovely! She's engaged"! Pardon us, Mr. Ponds, but the description is so fitting we couldn't help quoting. A winning smile and a pleasing countenance are only two of the "Keesling traits". Her activities consist of Vice-President of the Art Club, membership in the Boots and Saddle Club, and the Old Dominion Club.

GERTRUDE KENT—The class of '46 owes a definite tribute to a certain little brunette called "Trudy". High aspirations and consciousness of duty characterize our President. In her Junior year, Trudy was the Junior representative on the Athletic Council, and made the hockey, basketball, and softball varsities. Her Senior year boasts Vice-President of the Boots and Saddle Club, Secretary of the Y.W.C.A., Sports Editor of the Annual, Tennis Representative of the Athletic Association, the May Court, Ohio Club, Les Coquettes, and the basketball and hockey varsity. The best always, Trudy. You're kinda special with us.

BOBBIE KEMMER—Dark flashing eyes, a refreshing smile, subtle wit, individual in every respect—Bobbie. She has been active in the Tennessee Club, Boots and Saddle Club, Seven-Up Club, Home Economics Club, B.S.U. Cabinet, Y.W.C.A., and the Y.W.A. We'll save a special memory just for you, Bobbie!

As a Senior, Mary Jane has been an outstanding member of the Science Club, Home Economics Club, Dramatics Club, Seven-Up Club, Tennessee Club, and the Y.W.C.A. A contagious giggle and a lovely girl we shall always remember!

GWEN LANG—A brunette of beauty, charm and poise—Gwen Lang. A typical co-ed with "personality plus". Taking part in the Roanoke Club (as President), Home Economics Club (as President), Student Council, Modern Dance Club, May Court, the Annual and *Cauldron* Staffs, Gwen has remained a dependable, ever willing worker for which we are equally grateful.

MAUDE TYER LATHAM—A slender, striking sophisticate, as enticing as a model from Vogue, presenting—"Jo". A girl of diversified talents, Jo has worked with dependability (as a special feature), as Copy Editor of the Annual, Feature Editor of the *Cauldron,* a member of the Home Economics Club, Y.W.A., Old Dominion Club, and the Y.W.C.A. To clarify a cosmopolitan personality, however, we must add to this portrait a dash of wildest wit, seasoned with intelligent aspirations and a charming manner.

She has made an everlasting place for herself in the hearts of her classmates.

JOY LESTER—An impish smile, a friend to all, and a craftsman with a brush and canvass. Joy has belonged to the Art Club, the Dance Club, Les Coquettes, Old Dominion Club, Senior Hockey Team, and the B.S.U. Need a gal with a friendly way and an ever helping hand? Joy Lester's the name!

MARTHA ANNE LINEBERGER—A little bit of heaven in the form of "Mut". A gay, reigning personality—and those expressive brown eyes! A mite to have held such a tremendous job as Business Manager of the Annual, but she did it appraisingly well. She was also Treasurer of the Tar Heel Club, the crownbearer of our May Court, a member of the Boots and Saddle Club, Y.W.C.A., and the Click Club. Orchids to you, Mot! We're surely going to miss you!

MARILYN LEWIS—Behold a girl of kindness, sympathetic understanding, a winsome smile, generosity, a shy, appealing disposition, and you will behold—"Lynn". Untiring workmanship in the Art Club, Tennessee Club, Home Economics Club, Click Club, and the Les Coquettes Club, will keep a memory burning brightly for this favorable one.

DOROTHY LIPSCOMB—Dotty's that gal with the laughing eyes, an essence of gaiety, friendliness and unusual talent. She has participated in the Boots and Saddle Club, Rules and Regulations Committee, Art Club, Annual Staff, and she was chosen President of the West Virginia Club. A melody of loveliness—Dotty.

Besides holding one of the top offices of our class, "Taffy" has offered her abilities to the B.S.U. ROSEBUD MILLER—Rosebud has her own intriguing way of capturing the hearts of everyone she meets. The reasons are her exotic charm, serene poise, affability, and individuality. She held the responsible position of President of our Boots and Saddle Club, and belonged to the Athletic Association, *Cauldron* Staff, Annual Staff, Y.W.C.A., Les Coquettes, Old Dominion Club, the May Court, and the Y.W.A. "Rosie" feels as natural on Virginia Intermont's most spirited nag as she does on the dance floor. A girl holding many qualities and a girl to be remembered.

JAYNE MCCREADY—Grace, charm, winsome personality, and poise all combine a southern lass called Jayne. She has only been here one year, but has made herself quite at home and has found time to participate in the Home Economics Club, the *Cauldron* Staff, Tennessee Club, Annual Staff, Tip and Run Club, Y.W.C.A. Cabinet, the May Court, and the Y.W.A. If you can make such a record for yourself in one year, Jayne, we shall be waiting anxiously to hear of future accomplishments with a wish of "good luck"!

ELIZABETH MCKEE—Warm friendly eyes, refreshing smiles, and a keen sense of intellect—an accurate description of "Bets". Hailing from the "haven of great lights", Bets has brought with her a bright friendship for all. She was elected Vice-President of the New York Club, librarian of the Curry Club, a member of the Y.W.C.A., the Boots and Saddle Club, and the B.S.U. Keep that light of yours burning, "Bets", and your spirit will ever shine!

MARY LOUISE NEWTON—Lou will be remembered by our Alma Mater for her sweet disposition, her unpredictable sense of humor, and her willingness to lend a helping hand. She has not been idle while at V. I., taking part in the Y.W.C.A., Carolina Club, the Annual Staff, Seven-Up Club, and the Tar Heel Club. Lou, accept our heartfelt wish for a life of success.

Barbara O'Brien—"To know her is to love her"—Barbara. Being House President of Administration was no easy job, but she fulfilled it faithfully as well as being a conscientious member of the New York Club, and the Home Economics Club. We will never forget bidding her a fond farewell as she left, soon to wear a wedding band on her finger. Our fondest wish for happiness is extended to one who is deserving of it.

Louise Patton—She's always laughing and that winning smile that accompanies the laugh has won many a friend for pretty, brown-eyed, brunette Louise Patton. For most girls, math is the subject they like to forget about . . . with Louise it's just the opposite. She dotes on the stuff. She also enjoys her position as a junior hostess at the local Service Center. Taking part in the B.S.U., the Day Students Club, the Junior Academy of Science, the Y.W.C.A., and being the Training Union Representative takes up a great deal of Louise's daily schedule.

She's in the Home Economics Club, the Y.W.A., and the Day Students Club.

MAXIE PEDEN—Our only regret from knowing this lovable girl, given to us by the Blue Grass State, is the fact we haven't known her long enough. Maxie's one year at Intermont has been filled with many duties which she performed faithfully and conscientiously. These duties include membership in the Art Club, Click Club, Y.W.A. Council, Little Colonels, and our Student Government. "A sweet, soft-spoken, dependable girl"—a memory for Maxie.

BETTY BROWN PENNINGTON—Dancing feet, a sunny smile, and a vibrant personality—introducing a little miss who has a natural talent for "bringing in encores". Her talents are more than a few however, for she has participated in the Little Colonels Club, the Curry Club, Annual Staff, Y.W.A. Council, Phi Beta Fraternity, S.C.U., Delta Psi Omega, Dance Club, Les Coquettes, and Phi Theta Kappa (of which she was Secretary). Here's another encore for you, "Penny", and may a burst of applause ever follow you!

ANNE PHILLIPS—Sincerity, friendliness, and thoughtfulness are characteristics of Anne. Love for the outdoor life reigns supreme with her. Outstanding in every sport, she made the Varsity hockey and basketball teams in her Junior year and Senior year also. She was also a member of the Boots and Saddle Club, Pennsylvania Club, and President of the Tip and Run Club. Hats off to a true athlete and a genuine friend!

BARBARA JUNE PHILLIPS—Just give her a horse and the wide open spaces, and you'll view an exhibition of horsemanship that would put the "Lone Ranger" to shame. Bobbie won the cup at the '45 horse show and has been a prominent member of the Boots and Saddle Club for two years. Her other interests include participation in the Day Students Club, Y.W.C.A., Junior Academy of Science, H_2O Club, Athletic Club, B.S.U., the Click Club, and the Y.W.A. Accept a wish from each of us for a glorious ride to future success, Bobbie!

ANNE ELIZABETH PRICE—Anne has in her possession an unsurpassable sense of humor, an understanding nature, and the gift of a lovely voice. As a member of the Glee Club, Seven-Up Club, Tar Heel Club, Army and Navy Brats, and Treasurer of Phi Beta, she has been a willing worker and a dependable leader. Wherever she goes and whatever she does, the best wishes of the Senior class will go with her.

LOUISE RAWLEY—Her lilting laugh, admirable frankness, and friendly spirit have made Louise a cherished member of her class. FRANCES ELIZABETH PROFFITT—Hear that typical "Tennessee drawl" . . . that southern accent that smatters of the days when Grandma was wearing a boufant skirt and mint juleps were the order of the day? That's that lively little Proffitt gal . . . the gal who gets a joy out of living and who finds work easy. Work easy, you say? To prove it, Frances somehow finds time and energy to be Vice-President of the Senior class, Second Vice-President of the Y.W. C.A., Vice-President of Phi Theta Kappa Fraternity, and a member of the Home Economics Club, but she still finds enough time to trot around soliciting advertising for the INTERMONT.

DOLLY ANN REED—Slow southern talk, dark expressive eyes, and a grin that instantly makes a friend, introduces "D.A." A willing worker in the Boots and Saddle Club, H_2O Club, Gator Club, and the Glee Club, she has reached V. BETTY REEL—With the admirable ability to make friends at the drop of a hat, with the loyalty of "cutting her arm off for a pal", and a charming smile for everyone, who could be nicer to know than Betty Reel, a petite brownette. A kind word and a charming personality make Miss Reel welcome in any "hen session". Along with her other duties, Betty is also a member of the Day Students Club, the Ellen Richards Home Economics Club, and the Y.W.C.A.

PATRICIA RICHER—"Where's Rick?" is the big question—and nobody ever knows the answer. She's the girl who is always doing a thousand jobs at once, and always being successful—witness the '46 INTERMONT, of which she is Editor-in-Chief. She can also chalk up on her list the Orchestra, May Court, the Junior basketball team, the Y.W.C.A. Cabinet, Secretaryship of the Boots and Saddle Club, and membership in the Northwestern Club. She has a sense of humor, but she can be serious, too. In all her moods, we love her.

The very essence of gaiety, wit, and amiability stand together in composing her personality. As Vice-President of the Tennessee Club, and a member of the Home Economics Club, Y.W.C.A. and the Seven-Up Club, Frances has done a commendable job, as always.

JEANNE ROBBINS—"May I have your attention, please?" Yes, it's none other than our college announcer, Jeanne. Her sojourn at V. Cabinet, the Glee Club, Curry Club, Delta Psi Omega, Ohio Club (of which she was Vice-President), Home Economics Club, Boots and Saddle Club, Les Coquettes, Athletic Association Council, Annual Staff, and a ready participant in class sports. A gal with an eye for the future and a smile for the past.

VIRGINIA ROBINSON—Demure and delightful, sweet and sincere. A little lady of the old South, whose quiet manner and cooperative nature have made her a Senior highlight. Active in the Old Dominion Club, H_2O Club, Science Club, Boots and Saddle Club, Les Coquettes, Annual Staff, and Student Government, Ginny's charm and poise has made her one of those gals you just don't forget.

SHIRLEY ANNE RUSSELL—A small bundle of femininity and kindness is our Shirley. Member of the Day Students Club, Y.W.C.A., Y.W.A., and B.S.U., she is well known as a willing helper and congenial classmate. Her quiet voice and ever ready grin have made her a friend of all and a Senior of which we are proud.

ETHEL GRAY ROWELL—"Versatile" is a word that might well describe "Doody". As a member of the Curry Club, Delta Psi Omega, H_2O Club (of which she was President), Seven-Up Club, Click Club, Old Dominion Club, Dance Club, Y.W.A., and *Cauldron* Staff, she proved a Senior of no mean ability. We have great expectations for "Doody" in the world of tomorrow, where, we are sure, she will make a lasting name for herself.

BETTE SAMPSON—She's glamorous, alluring, and has she the men! That's the description for lively Miss Bette Sampson, a "sho nuff" popular town student. According to friends, Bette can run a professional a good race on the dance floor. She has a strange desire to spend time in or near cattle trucks. While at Virginia Intermont, Bette joined the ranks of the Day Students Club.

PEGGE SAPP—With twinkling toes, a sparkling smile, and a real flair for drama, Pegge has endeared herself to one and all at Virginia Intermont. Never one to go half way, she has entered wholeheartedly into college activities, as Vice-President of the Curry Club, Publicity Director of the B.S.U., President of the Dance Club, President of Delta Psi Omega, member of the North Carolina Club, Les Coquettes, Athletic Association, Tip and Run Club, Home Economics Club, and the Click Club. Peg has proven to be dependable and cooperative. A toast of good luck to our stimulating Tarheel.

PATRICIA SCHNEIDER—A brilliant mind, a champion of fair play, and a subtle sense of humor comprise "Tish". Her activities on "ye olde" campus include Student Government (of which she was President in '45), member of the Ohio Club, Y.W.C.A. Cabinet, Les Coquettes, Rules and Regulations Committee, Nominating Committee, Phi Theta Kappa, and the Advertising Staff of the Annual. Keep on your course, "Tish"—we've reserved a special place for you in the V. I. hall of fame.

HELEN SEDERSTROM—A bundle of dramatic talent with charm and ever ready helpfulness that have made her a necessary part in the machinery of both her class and her school. Her varied interests have been exercised by membership in the Les Coquettes Club, as President of the Curry Club, Vice-President of the Northwestern Club, Treasurer of the Senior Class, Third Vice-President of the B.S.U., member of the Tip and Run Club, *Cauldron* Staff, Delta Psi Omega, and class and Varsity hockey teams. A natural leader as well as a cooperative follower, we expect great things of Helen.

CHARLOTTE E. SEH—It will not be possible to forget the little miss with the infectious laughter and the dauntless sincerity. Charlotte's personality has put an indelible stamp on the hearts of all who know her (and who doesn't know her?). As Treasurer of the Tip and Run Club, Hostess of the Dining Room, Vice-President of the Pennsylvania Club, Social Chairman of the Y.W.C.A. Cabinet, member of the Annual Staff, the Social Committee and Maid of Honor in the May Court, her affability and understanding have become an essential part of V. I.

RUTH SHAFFER—Agreeable, fun-loving Ruthie, with a keen mind and unfathomable depth. A gay sophisticate with a love for the unusual. Her campus activities include Secretary and Treasurer of the H_2O Club, Publicity Manager of the Boots and Saddle Club, membership in the Dramatic Club, the Seven-Up Club, and the Glee Club. Knowing Ruthie has been an experience that we're glad we didn't miss. We know that whatever she makes her purpose in life, it will be a great success.

SARAH SPENCER—A piquant face, flashing green eyes, and brown hair—that's Sarah. Her class spirit has been an inspiration to many, as have her ready laugh and quick wit. She has been an active member of the Home Economics Club, Telamiss Club (Secretary—'45, President—'46), Y.W.C.A., Y.W.A., and B.S.U. A friend to remember, a classmate to be proud of is Sarah.

EUNICE SIME—A dulcet smile and a charming manner blend to form the sweetness of Eunice. Her quiet exterior hides the heart of a pixy with an unsurpassable love of life. Here at V. I., she has been a member of the Pennsylvania Club, the Orchestra, the Boots and Saddle Club, and the Y.W.C.A. The luck and love of her classmates will follow Eunice in future years.

BARBARA STEWART—"A friend in need is a friend indeed!" An apt description of Barbara, who is always ready to do her share, whatever the job. She has proved this admirable attitude by her dependable work in the Home Economics Club, Boots and Saddle Club, Y.W.C.A., Y.W.A., Click Club, and as President of the Northwestern Club. Her class spirit and faithfulness will ever be remembered by all Virginia Intermont.

DOROTHY TABOR—Dot is quiet and understanding with a sense of fair play. Her activities include membership in the West Virginia Club, Home Economics Club, Junior Academy of Science, and Volleyball Team. This little brunette's happy disposition will guide her through life and cheer her many friends.

PEGGY TATE—With her captivating smile and her friendly easy-to-get-along with manner, Peggy Tate makes a hit at Virginia Intermont, and everywhere else. She's a fine example of prettiness and charm. "Peg" spends her off-time moments jotting letters off to the man in her life. Her name appears on the roster of the Y.W.C.A., the Day Students Club, and she's Treasurer of the Junior Academy of Science.

FREDDIE TAYLOR—Freddie is a real all-around gal, whose love of life enhances the lives of those around her. She's a sure blues chaser, with a delightful sense of humor, which has made many a sour face dissolve in a smile. A splendid athlete, Freddie is President of the Athletic Association and on both the hockey and softball Varsity squads. She can also boast membership in the Les Coquettes, Curry Club, Junior Academy of Science, Boots and Saddle Club, Delta Psi Omega, Annual Staff, Student Government. Treasurer of the Tip and Run Club, and President of the B.S.U. A fifteen-gun salute for this meteor in the Senior sky of success.

FAYE TROLSON—Soft blue eyes, a lilting laugh, and a heart of solid gold are all qualities possessed by Faye. Here on campus, she has lent her whole-hearted cooperation to such activities as the Glee Club, the Art Club, Boots and Saddle Club, the Curry Club, the Tennessee Club, and Phi Beta Fraternity. Faye is a classmate of whom we are rightly proud.

DOROTHY VON BARGEN—An artist in the truest form, a friend in the deepest sense—that's our Dot. As an active member of the Athletic Association, she has made a name for herself on the Varsity hockey, softball, basketball, and volleyball squads. Her complete schedule includes work in the Y.W.C.A. Cabinet, Boots and Saddle Club, Art Club, New Jersey Club, Les Coquettes, and Art Editor of the INTERMONT Staff. Her dependability has become a byword of all who know her. Mix an understanding heart with a touch of artistic temperament and unfathomable depth, and you have Dot—a girl we shall ever remember.

JANICE WALKER—A soft-spoken little miss with an effervescent quality that has endeared her to our hearts. Jan has busied herself here at V. I. with such activities as the Pan American Club, New Jersey Club, Junior hockey team, Boots and Saddle Club, Tip and Run Club (of which she was Secretary), Athletic Council, Y.W.C.A., Y.W.A., and B.S.U. In future years, our thoughts shall wander back to the gal with the sweet smile and we'll remember pleasant things.

MAXINE WAKELAND—Texas-born Maxine, with the dancing blue eyes and dark blonde hair and whistle-bait "figger", stands out in any crowd with her sunny disposition and blithe spirit. It's the career of the "old married lady" for Maxine, who plans to tie the knot immediately . . . if not sooner. At Virginia Intermont, she's on the roll of the Day Students Club.

NANCY WALTERS—"Good things come in small packages" might well describe our Nancy . . . a little bundle of charm and vivacity. Kentucky-born and bred, she's a loyal member of her state club as well as the Y.W.C.A. and Y.W.A. Her two-year sojourn at V. I. has made the old college richer and has been our gain but another college's loss.

ANNE WARREN—A pixy-like charm and an air of dependability are only two of the things in the make-up of Anne. A member of the Glee Club, Southern Belles, Roanoke Club (of which she was President), and Les Coquettes, she has contributed much to her class and to her school.

BARBARA WEIR—A symphony of charm, poise, and affability is our Babs. A veteran at Virginia Intermont, she has become a mainstay of her class. She has lent her talent to many of the college activities, being Treasurer of the Boots and Saddle Club, Advertising Manager of the Annual, Alumnae Editor of the *Cauldron*, Vice-President of the Redhead Club, member of the Northwestern Club, and the Y.W.C.A. A swell addition to our class and our school, we doff our caps to our "Most charming" Senior.

PRISCILLA TOWNSEND WARREN—Though quiet and studious, Priss is always present with a ready smile and a quick wit. A member of the Boots and Saddle Club, New England Club (of which she was Secretary), Click Club, Y.W.A., Y.W.C.A., INTERMONT Staff and *Cauldron* Staff, she has been both diligent and helpful. We shall never forget this brown haired gal who has enriched V. I. by her stay.

BETTY WIDENHOUSE—The girl with the throaty laugh and sparkling eyes—that's our "Ike". Her straight-forwardness and adventurous spirit is known by all. She has been active as a member of the Tar Heel Club, Carolina Club, Y.W.A., and Y.W.C.A. When, in days to come, we think of our Alma Mater, we shall remember "Ike".

VIRGINIA WILLIAMSON—A blonde haired, blue eyed beauty with a genuine sweetness that has captivated many a heart—male and female. A contradiction to the old saying "Beautiful but dumb", Ginny is a gal who studies and learns. Her activities include membership in the Tennessee Club, Les Coquettes, Boots and Saddle Club, B.S.U., Y.W.C.A., Y.W.A., INTERMONT Staff, and the May Court. In her own quiet way, Gin has made a name for herself—a name we shall not forget.

FRANCES WILSON—A whiz on a basketball court, an energetic worker in a classroom, and the life of the party—that's this Wilson gal. As President of the Tennessee Club, Secretary of the Seven-Up Club, Treasurer of the Y.W.C.A., President of Les Coquettes, member of the Click Club, and Varsity softball and basketball squads, she has done more than her share on Virginia Intermont's campus. Forget her? Don't be silly—not Fran.

BETTY J. WILSON—Sweet, sincere, and sensational just begin to cover the multitude of charms that comprise our Bet. Along with her unconquerable zest for life, she has a burning ambition to make a name for herself in the world of business. Active in the Y.W.C.A., Y.W.A., B.S.U., Tennessee Club, Boots and Saddle Club, Les Coquettes, and INTERMONT Staff, her work on campus has been characterized by dependability and cooperation. We smile as we remember Bet, and the days at V. I. that were finer because of her.

JEAN WOODARD—A startling combination of poise, charm, and talent, our Jean has become a real mainstay of her class. Her schedule has been crowded with work as a member of the *Cauldron* Staff (Junior Editor '45, Associate Editor '46), Assistant Copy Editor of the INTERMONT Staff, Secretary of the B.S.U., Art Editor of the B.S.U. Highlights, President of the Art Club, member of S.C.U., Boots and Saddle Club, Home Economics Club, Click Club, Old Dominion Club, and the May Court. MARY LOU WORLEY—Here's a miss with a zest for studying history, a blue-eyed, brown-haired package of Bristol personality, who not only is a talented dancer and a good "bowler"... but is engaged to the Army, no less. On Mary Lou's dependable shoulders falls the duty of Treasurer of the B.S.U. She's also a member of the Day Students Club and the Y.W.C.A.

BETTY JO WYMER—Jo's smile and personable attitude toward one and all, have made her an outstanding Senior. Her activities here have been many: Boots and Saddle Club, Art Club, Social Chairman of Les Coquettes, Publicity Chairman and Cabinet member of the Y.W.C.A., Click Club, Home Economics Club, Secretary of the Modern Dance Club, and Assistant Art Editor of the Annual. Jo has proved herself a loyal and affable classmate.

DOROTHY ZIEMER—A cheery smile, and a gay hello seem to be the byword of Dot. In her activities at V. I., as a member of the Pennsylvania Club, Boots and Saddle Club, and the Home Economics Club, she has shown readiness to put forward a helping hand whenever it is needed. Her fidelity to both class and school have made her a gal we just won't forget.

JANET RUSSELL—A slow, soft smile, a Bostonian accent, and a natural charm all help to make up Janet. We happily welcomed her back at V. I. this year as assistant to Miss Jones, and it shall be with fond wishes for success that we bid her adieu and smooth sailing.

"Peace on earth, goodwill toward men" might well be the motto of the Senior Class of '46. For, midst our studies, we paused for a brief second to behold the great dream we had all awaited so long—peace! It is our privilege and our trust to keep this dream living eternally, and with the qualities instilled in our class, great promise is expected.

We drink a toast from our cup of Quality first, to our officers, who represented us well and who have performed their duties faithfully. Our lovable, versatile mite of a President, Trudy Kent; a cast of brilliance, Frances Proffitt, Vice-President; Helen Drumwright, Secretary and animation personified; last but not least, our "money gal", Helen Sederstrom, exhuberant in many ways, besides collecting dues!

A single toast of honor and gratitude we give to Patricia Ann Richer, known to us as "Rick". Through her tedious work and planning, our Annual was made—the best. We salute our vivacious and capable editor with praise.

We contribute, with pride, to the universal language of music—Frances Elkins, pianist—Lil Baber, soprano, and, with special mention, Anita Bullock, our song-leader, who sponsored our greatest victory in our Annual Song Contest.

And since all art must flame together, our talent in drama goes to Jeanne Robbins, Betty Brown Pennington, Pegge Sapp, Jeanne Griffin, and "Doody" Rowell. The etchings on the canvasses are artistically being completed by Dot von Bargen, Sarah Gainey, Jo Wymer, and Joy Lester.

Journalism must have its turn to write of Jo Gentry, our *Cauldron* Editor, Jean Woodard, *Cauldron* Associate Editor, and Jo Latham, our Annual Copy Editor.

Our "conscience kids", who keep us "on the straight and narrow" — "Tish" Schneider, our admirable Student Council President, and Dot Cofer, faithfully taking the minutes (and reprimands!). A twosome of fabulous tolerance!

"My kingdom for a horse!" rings out the daily cry of Ruth Shaffer, Rosebud Miller and Bobbie Phillips—three splendid horsewomen, who are really more interested in riding than quoting Shakespeare!

V. I.'s "Power's Models", who just can't help being beautiful, include Edythe Fleenor, Charlotte Seh, Gwen Lang, and our lovely Queen of the May, Nelle Payne.

A flash of blue down the hockey field, around the softball diamond—whatever the sport, there's always a cheer for Johnson! Kent! Taylor! von Bargen! Rawley!

A sentence of few words, but seas of laughter, present the priceless wit of Latham and Grace!

Religious organizations on the campus are proud to introduce such fine workers as Colleen Logwood, "Taffy" Mayes, and Laura Kash.

With grateful thanks we honor talented B. J. Lucas, whose originality and tireless efforts have resulted in a Super Senior Section.

We cannot conclude without recognizing our illustrious group of Day Students, who have participated with us in classes and activities loyally, and thereby becoming "one of us".

The only regret of our Senior Year, was biding farewell to our beloved sponsor, Mrs. Rogers, whose untiring work and helpful interest we shall forever remember in gratitude.

And so our cup is filled—with Quality that cannot fail to over-rule wrong, and sustain all good, for this—our world!

JUNIOR PAGE

The loud speaker system blared into the noisy dining room announcing a Junior Class meeting in the Chapel, immediately after lunch.

As I entered the Chapel, our capable President, Deane Fiske, was calling the meeting to order amidst the boogie-woogie piano style of Peppy Lucas and the antics of Cookie and Frankie Simpson. Our beloved sponsor, Mrs. Williams, although calmly watching most of the proceedings, entered into a few of the cut-ups herself. Mrs. Williams is one of those rare characters whose understanding of and sympathy for the younger generation is unequaled—for her spirit is eternally young.

Deane's first suggestion was a big hand for Charlie Jack, our indispensable song leader, thru whose laudable efforts we walked off with the best pep song during the Song Contest. There was no opposition to this suggestion.

Praises and more praises; this time for our outstanding athletes. Some of these include Marge Bloomfield, the Athletic Association Representative, Mickey Brown, Mary Lyn Dewey (who, incidentally is the equestrian of the class), Alberta Wilson, Gwen Watson, Carmen Curry, Jeanne Harrell, and Fritz Yow.

Since she had to come all the way from town, Melinda Stern was a little late, but a burst of applause greeted our tardy Vice-President as she came into the Chapel.

By this time, ideas were flying fast and furiously and poor Janice Clark, our Secretary, had a hard time keeping her notes up to date. But Janice usually manages to do well in everything she does, which includes playing the violin, making the Honor Roll, excelling in sports, and being well-liked by everyone who knows her.

Money matters are handled very competently by Joan Lucas; and class treasuries are really something to handle.

The Juniors aren't lacking in the beauty department either. Our nominations for features were Rosemary Hollahan, Joan Lucas, Ginny Evans, and Kathy Quayle. Not bad, eh?

Our typical collegiates really include the whole class, but Peppy Lucas, Deane Fiske, Barbara Barker, Vivian Cook, and the inseparable trio of Pat Thornton, Evelyn Riley, and Lou Cox seem to head the list.

Charlie Jack, Eunice Farmer, Lucille Arnott, and Jeanne Harrell comprise a well-rounded group of class musicians. Keep it up, kids. We can always say we knew you when . . . .

After handing out all these orchids, Deane asked for motions to close the meeting. This was interrupted by the suggestion that we hand a few free orchids to Deane herself, who really deserves them. The motion was made, seconded, and carried.

And so the Secretary's notes were closed on another Junior Class meeting and all the Juniors tore back up to their rooms with cries of "Has the mail been up yet?"

Ed. note: Our modest writer forgot to mention that a great deal of praise was also given to likeable Pat Beach for her capable handling of the position of Junior Editor on the INTERMONT staff.

You have given us a flaming torch
Of knowledge, truth, and right
And you have branded in our hearts
Yourself—a shining light.
We'll remember when we saw you first
Carpeted with red-gold leaves;
We'll remember you gowned in white
Your fountain winter-stilled;
We'll remember you when dogwood bloomed
A symphony in pink and white.
We'll ne'er forget these last few days
So filled with laughter, tasks, and tears,
As years speed on, we'll carry high
The torch you gave to us,
But now, good-bye; we part; we go our ways.
Good-bye, V. I., good-bye.

Preparatory Superlatives

This year, as usual, the Preparatory Department has been outstanding in campus activities. We point with pride to these, our superlatives, representatives of the best qualities found in the typical prep school girl.

PREPARATORY PAGE

Memories—those priceless necessities of life by which the gay times, the lasting friendships, the spiritual and mental lessons found here at V. I. never die, but join the ranks of our guideposts to help us make a better life in a better world.

Much of this year's success we owe to the leadership of our President, Jane Lowery, a super girl, whose wit, vim, and vitality have made her a typical campus B. T. O.

The trait of leadership, commonly desired yet rarely found. Two of these rarities in the Preparatory Department are Peggy Wells, Girl Reserve President, and Bev Hanson, Senior Class President.

The Blue and White is well represented in the athletic field with such sporters as McQueen, Wells, Berry, Carter, Brock, Patrick, Lowery, and Scully topping the list.

Potential celebrities along the talent line are varied. There are Anne Carter, proficient at the organ—Norma Roden, who really makes those marimba keys jump—Jewel Walker, Preparatory song leader, whose voice would soothe the soul of any savage beast, and Rubye Lois Duke, symbolical of rhythm and vivacity as she dances. Flo Dobson already has a start along the road to fame, having her poems accepted for two successive years by the *National High School Anthology*.

"A thing of beauty is a joy forever," and speaking of beauty, how about Lina Harmon, Sally Robbins, Ginny Sharp, and Doris Steiger, our feature candidates?? Bringing deserving glory to herself and added distinction to the Preparatory, Ginny also coped the honor of being crowned queen of this year's Harvest Festival.

Pep personified—our cheer leaders, Clark! Hanson! Lamport!

True lovers of horses are Sally Robbins and Tish Thurman, both outstanding riders at V. I. Tish, in fact, is known throughout the horse world for her excellency in showing horses.

With justifiable pride, we list the members of our scholastic fraternity, the Beta Club: Peggy Wells, Clotilde LaBruce, Anne Carter, Flo Dobson, Claire Snakenberg, Mary Ellen Stanley, and Jo Reynolds.

A friend to be liked, a sponsor to be admired, a person to be remembered, aptly describes Miss Droste. "Thank you" is a gross understatement of the depth of our gratitude for your understanding, helpful, ever-ready assistance.

"For here we leave for those who follow

A token, a task to uphold

Our Alma Mater will live on!"

1. *Oh, happy night when Nita had that song contest plaque clutched firmly in her hands.*

2. *"Deposit your vote in the box, please," says Dot as the High School votes for its torch-bearers.*

3. *Juniors look and act the part on Junior Hell Day.*

4. *It looks like a basket for Wilson during Junior-Senior practice.*

5. *"Oh, my offense is rank", but it doesn't stop us from eating a hearty lunch before Mr. Cooke's Hamlet exam.*

6. *Why so happy, gals? Could it be that you just got out of class?*

Intent on the goal of causing V. I. girls to realize that student government was constituted to promote close teamwork between the faculty and the student body, the S. G. members perform their numerous duties efficiently and cheerfully. The new position of Vice-President was added at the second semester in order to lighten the many responsibilities of the President. Representing and furthering the best interests of the student body, securing co-operation between various groups, and encouraging responsibility, self-control and loyalty among the pupils, all come in a day's work for the active students' representatives.

Campus news, spiced up with a bit of Smut-ty gossip, tempered with a little sober editorial comment — the *Cauldron,* shoved off to press every two weeks by Editor Jo Gentry and Associate Editor Jean Woodard. The word on coming attractions at the Bristol movie palaces, current fashion notes, and tips on the latest records all can be found in this Monday news sheet—slick paper, too! The big guy, the mainspring of the works is Mr. Cooke, who uncomplainingly dedicates his Thursday nights to writing headlines and planning the front page—and the other days in his week to listening to long and loud lamentations on the subject of news, engravers, and the V. I. critics' hardness of heart. And surely the journalism class deserves special mention here, for they are the ones who scout around for the dull details and write the copy that never seems to please the editors.

Promoting spiritual growth in the Intermont student and linking the religious activities of the college with the local churches, is the aim of the Baptist Student Union. Enlightening and helpful activities are planned for presentation to the student body. Religious Focus Week presented speakers from all over the South, who spoke on the relationship of everyday life to the Divine. This religious organization has directed several Vesper services which emphasized foreign mission work. B. S. U. is a highlight in every student's V. I. life.

Promoting good fellowship among the young women of the college is the aim of the Young Women's Christian Association. Under the direction of capable officers, the Y.W.C.A. has been one of the most active organizations on V. I.'s campus. The Y.W.C.A. sponsored the Harvest Carnival (a frolic at the first of the year), made donations to the Janie Hammitt and Katie Lockett Homes, sponsored the ever-popular Peanut Week, promoted the War Bond drive, and conducted the teas and entertainment for relaxation during examination week.

One of V. I.'s most interesting organizations is the Y.W.A., a group of students bound together for the common purpose of developing well-rounded Christian women. This inspiring and progressive association has sponsored a varied program of activities for "Intermonters" all through the year. The annual outdoor picnic, the traditional monogram service, White Vespers, and the Palm Sunday service, are only a few of the projects sponsored by the Y.W.A.

GLEE CLUB

Voice pupils find an outlet for their talents in the Glee Club. Colorful musical selections are prepared and sung for many events at V. I. The chorus presented a concert of varied and beautiful numbers at the Paramount Theatre in the Spring, which merited it much acclaim. The Glee Club, attired in white formals, sang at the inauguration of Intermont's new President, Dr. Brantley, and formed an impressive background for the important event.

ORCHESTRA

Giving two concerts each year, playing for campus functions and varied public programs, keep the college orchestra busy throughout the year. It is composed of students who play and wish to further their musical knowledge by participating in group instrumentation. The orchestra is a member of the Student Division of the Virginia Federation of Music Clubs. Under the direction of Miss Virgina Rouse, the muscians played for the presidential inauguration, gave a concert in chapel, performed for civic events in town and participated in many other programs.

CURRY CLUB

Broadway and Hollywood bound . . . or so it would seem to anyone looking in on a Curry Club meeting. The dramatic students meet bi-monthly to perform one-act plays and recitations for practical experience in the arts of speech and acting. All students of the Dramatic Department hold membership in this actors' guild of V. I. The club serves as a means of trying out new ideas and performances for these Thespians. Overseeing the club procedure and activities are Helen Sederstrom, President, Pegge Sapp, Vice-President, Vivian Cook, Secretary, and Joan Lucas, Treasurer.

HOME ECONOMICS CLUB

Endeavoring to forward the background for successful homemaking, the Home Economics Club tackles its tasks with great spirit. With Gwen Lang as President, Virginia Evans, Vice-President, Bootsie Dunford, Secretary, and Johnnie Johnson, Treasurer, the club sponsored many activities. The annual Christmas tea, the Valentine party, and other teas and social events, lent a busy atmosphere to the progressive group. A trip to the Ranch Camp in the early part of the term started the club off right.

JUNIOR ACADEMY OF SCIENCE

Members of the physics, chemistry, biology, and mathematics departments are eligible for this organization, which is a chapter of a national association. The club meets monthly with the interest of learning about the advancement of science. Each member chooses a project as her own for the year and works it out. Later, the results are discussed. At meetings, speeches and demonstrations are given for the enlightenment of the society. Officers are: President, Laura Kash, Vice-President, Ruth Cornett, Secretary, Marilyn Bennett, and Treasurer, Peggy Tate.

DAY STUDENTS CLUB

Beyond the tennis courts in a little setting all its own, is the Day Students Hut. It serves as the hang-out for town pupils between classes and for their parties. The purpose of the Day Students organization is to make Bristol girls feel at home at V. I., and to make them feel that they are a part of the college. Throughout the year, the members of this club have get-togethers and other social events. PHI BETA

An organization of music-loving students, this honorary fraternity holds a high position at Intermont. The traditional pledge week is an occasion which all new members take part in, by working for the old members. Promoting better appreciation of music and drama, living a life of service, and seeking to uphold the highest type of womanhood, comprise the objectives of this society. Membership in the chapter is by invitation, in recognition of musical achievement or music ability of high caliber. Presiding officers are: President, Anita Bullock, Vice-President, Lil Baber, Secretary, Frances Elkins, Treasurer, Anne Price, and Editor-Historian, Barbara Jeanne Lucas.

GIRL RESERVES CABINET

The Girl Reserves are true examples of compact friendship among V. I.'s Preparatory pupils. It consists of a group of amiable and versatile high-schoolites. President Peggy Wells, Vice-President, Anne Carter, Secretary Marianne McQueen and Treasurer Mary Ellen Stanley, have proved to be inspiring leaders. In its second year of organization, the Girl Reserves successfully sponsored a week dedicated to the purpose of raising money for the infirmary fund, by holding a fun night with the aid of donations from the local merchants. Always dependable, the Girl Reserves have willingly given their time and talents to producing vesper and chapel programs to a receptive student body.

BETA CLUB

Character, leadership, achievement, and scholastic ability comprise the make-up of a Beta Club member. The goal of membership in this honor society is in the mind of every Preparatory student. With an eye for carving her name on the roster of Beta Clubbers, a Preparatory miss must first have a ninety per cent average in academic work, show ability as a capable leader, and reveal a strong and forceful character. Pledges are inducted twice yearly. The '45-'46 officers for the club are: President, Peggy Wells, Vice-President, Anne Carter, Secretary, Clotilde LaBruce, and Treasurer, Claire Snakenberg.

PHI THETA KAPPA

Phi Theta Kappa, V. I.'s college scholarship society, is a division of the national junior college honorary fraternity, Phi Beta Kappa. For membership, a student must have the qualifications of a ninety per cent scholastic average, and a high standing in character, service, and leadership. Annually, in the spring, the association inducts new pledges. Officers for the '45-'46 session are: President, Jo Gentry, Vice-President, Frances Proffitt, Secretary, Betty Brown Pennington, and Treasurer, Pat Schneider.

DELTA PSI OMEGA

This Greek letter honorary dramatic fraternity, toward which every dramatic student at V. I. has aspirations, ranks in the first ten of the national organization clubs. Founded by Rhoda L. Nunally, the V. I. chapter is capably led by President, Pegge Sapp, Vice-President, Laura Cantrell, and Secretary-Treasurer, Mary Virginia Combs. Only members of the dramatic department are eligible for this fraternity. Pledges are inducted each year, in the early spring. As a club project this year, the members presented a one-act play, "Just Before the Prom", for the enjoyment of the entire college.

Rules and Regulations Committee

Composed of representatives from the faculty and student body, the Rules and Regulations Committee works in an advisory capacity with the Student Government. Changes in rules are first presented to the Student Government and then sent to the Rules and Regulations Committee where they are either passed or vetoed. The president of each class in the school, the executive board of the Student Council, and the faculty representative are members of this committee. The group works to give the most satisfactory solution to problems of the student body.

ART CLUB

An outgrowth of the art department is the student interest group known as the Art Club. President Jean Woodard, Vice-President Helen Keesling and Secretary-Treasurer Betty McGavock head the executive list. Increasing appreciation of art is the prime objective of this organization, which convenes in the Art Club Room each month. The lives of great artists and their works are discussed in these meetings. Over sixty club members have supported the project of adding books to the art library. For recreation the clubbers have holiday parties throughout the year.

ALPHA CLUB

All junior English students with an English average of *A* or *B* are eligible to become members of the Alpha Club. Organized this year, the club has already shown its initiative by discussing different forms of literature in group meetings. The express purpose of the organization is to encourage original creative writing. Early in the year the group presented a formal debate, followed by a tea to which the faculty members and club representatives were invited. Officers for the group are: President, Janice Clark, Vice-President, Adelle Herman, and Secretary-Treasurer, Mabel Ackerman.

THESPIAN CLUB

The re-newal of a former organization at V. I. took place this year, when the Dramatic Department activated the Preparatory Thespian Club, an honorary society for high school drama students. At the beginning of the term there were only a small number of students eligible for the club, but new members were initiated in the spring. This association corresponds to the Delta Psi Omega in the college.

CLICK CLUB

Promoting an interest in amateur photography and learning more about the basic principles of making pictures through actual experience, is the purpose of the Click Club. President Jeanne Griffin, Secretary Johnnie Johnson, and Treasurer June Cheatham, have carefully supervised the club's projects for the year. At the close of the term, these clubbers presented a collection of snapshots on exhibition in the students' lounge. During the year, members contributed informal shots of college personalities to the annual photography section and to the local newspapers.

MINOR CLUBS

Clubs and extra-curricular activities have long held a prominent place on our campus. They are numerous and varied, such as: Les Coquettes—for girls who live in Senior Hall, the Red Heads—no explanation needed, the Army Brats and Navy Juniors—for daughters of servicemen, and the Tip and Run Club—for girls who serve in the dining room. For each state represented by students at Intermont, there is a binding state organization, such as the Georgia Peaches, the Gator Club, the 'Bama Brats, the Old Dominion Club, and the Pan American Club for our amigas, South of the border. There are also various other miscellaneous groups, notably the Seven-Up Club, for girls five feet seven and over.

Participation in these activities has made the Intermont girl a well rounded student, interested in her college and her classmates. Taking part in informal parties, trips to the Ranch Camp, waffle suppers in the Tea Hole, and get-togethers in dorm rooms for after-study-hour gab sessions and a snack before bed, have served the purpose of widening our acquaintances and increasing friendships. These groups have also provided fun during out-of-class hours for Miss V. I. and have increased the pleasures of life at Intermont.

Sports

SPORTS

The sports program at V. I. provides an outlet for those interested in getting a little exercise or just in search of a good time. This program includes hockey, basketball, volleyball, tennis, softball, archery, and the intramural sports, such as ping pong, badminton, darts, and shuffleboard. Those interested in dancing are rewarded with year-round dance classes which have presented two recitals this year, while the swimming classes reach their climax in the Spring water pageant. Not to be forgotten is the riding department, which also operates Fall through Spring. Those wishing to take optional rides in the cold weather do so "at their own risk", but wait until May to display their equitation ability in the school horse show.

The class games, color team games, and varsity basketball games provide excitement and entertainment for the spectators as well as for those playing. However, only the hockey players suffered from "black and blue" moments—especially if they didn't get out of Peggy's way.

Who will forget the bonfire before the Junior-Senior basketball game—or was it the "befores" and "afters" that we'll remember? "Do we love each other—I should say we do" — and speaking of basketball, that Wilson-Wilson combination was really on the ball—while "yours Trudy" was on the floor.

Pegge really gets a "kick" out of dancing while Johnnie and Freddie get a "kink". "Kick" or "kink", however, it's all in the muscles!

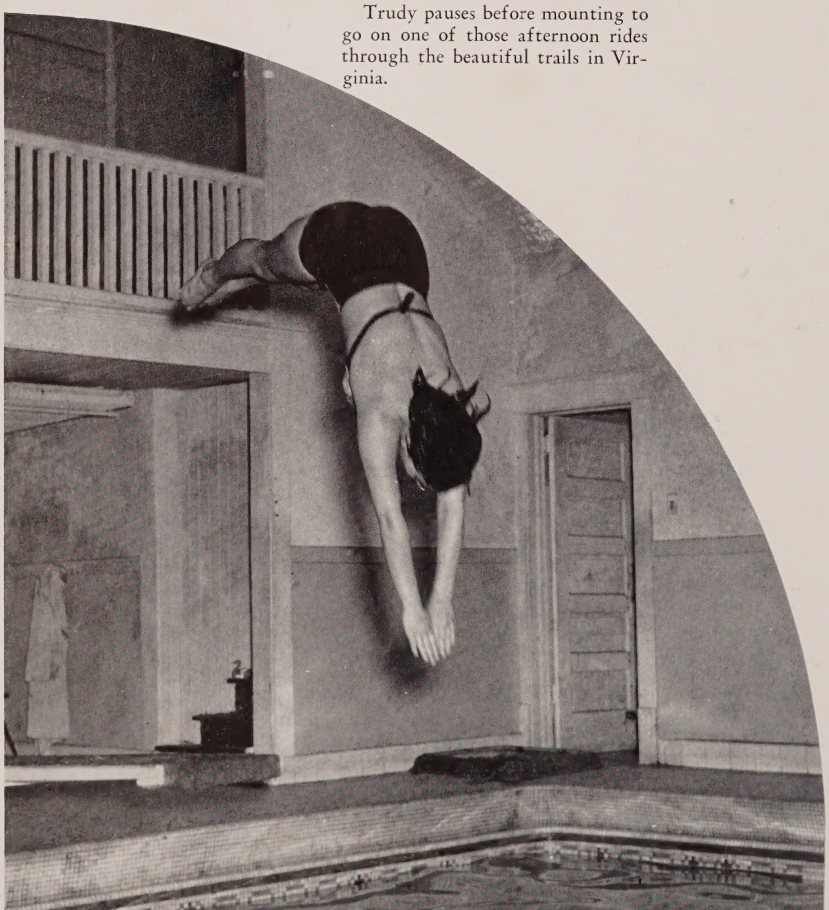
A song fills the air as the riders go off on those winter rides when the spirit of the trail invades the heart of both horse and rider. Dewey can tell you—she watched the falls—how 'bout that, Pat? Even the Boots and Saddle Club President went off—but it's all good "rosie" fun.

The "splash party" provided that dive into the deep for our V. I. water enthusiasts. And then we have D. A.'s impressive jump that succeeded in thoroughly drenching all those within a fifty-foot radius.

In spite of sore muscles, bruised shins, and general weariness, we all benefit by taking part in sports. Such participation prepares our minds and bodies for a more healthy and well-rounded future—a better womanhood.

Trudy pauses before mounting to go on one of those afternoon rides through the beautiful trails in Virginia.

FALL



Practice and precision timing can perfect any dive. If you don't believe it, watch Fritz Yow!

Defeating the Juniors in this decisive game made the Seniors the hockey champs of the season, having previously defeated the Preparatory. The class captains were Johnnie Johnson for the Seniors, Margie Bloomfield for the Juniors, and Peggy Wells for Preparatory.

SPORTS

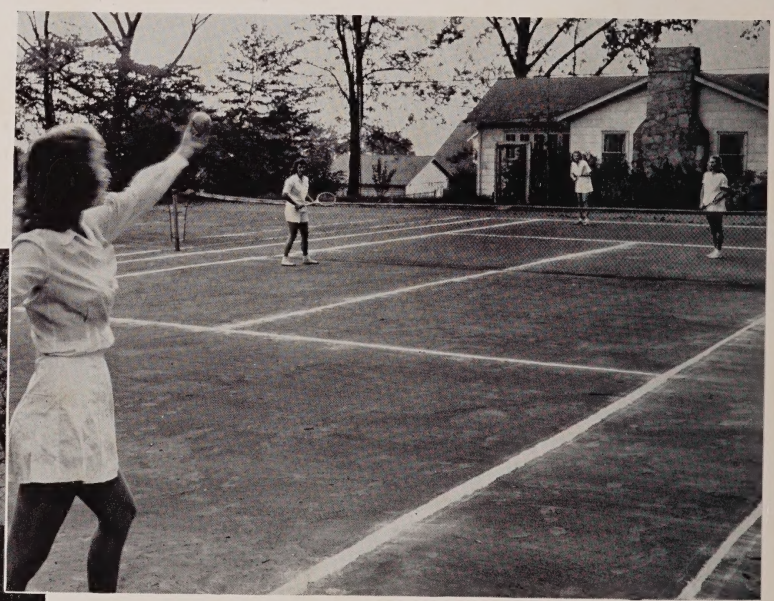
"Bounce, walk, run, slide, fall," are all familiar to the Modern Dancer, who creates her own dances from the techniques taught her to aid in coordination, flexibility, rhythm and body strength, and control. Group work is stressed here and a spirit of unity is its result.

Hockey Varsity

DOT VON BARGEN, PEGGY WELLS, PHYLLIS PATTERSON, HELEN SEDERSTROM, GLORIA SCULLY, BUGS BERRY, PAT BEACH, JOHNNIE JOHNSON, FREDDIE TAYLOR, MARGIE BLOOMFIELD, LOUISE RAWLEY, TRUDY KENT, and JO FOWLER. Absent from the picture were ANNE PHILLIPS, ANNE CARTER, and JEANNE GRACE.

FALL SPORTS

Nothing like a good round of archery for after-class recreation. Here Georgia Biggers adds the score, while Janice Walker removes the arrow from the target.

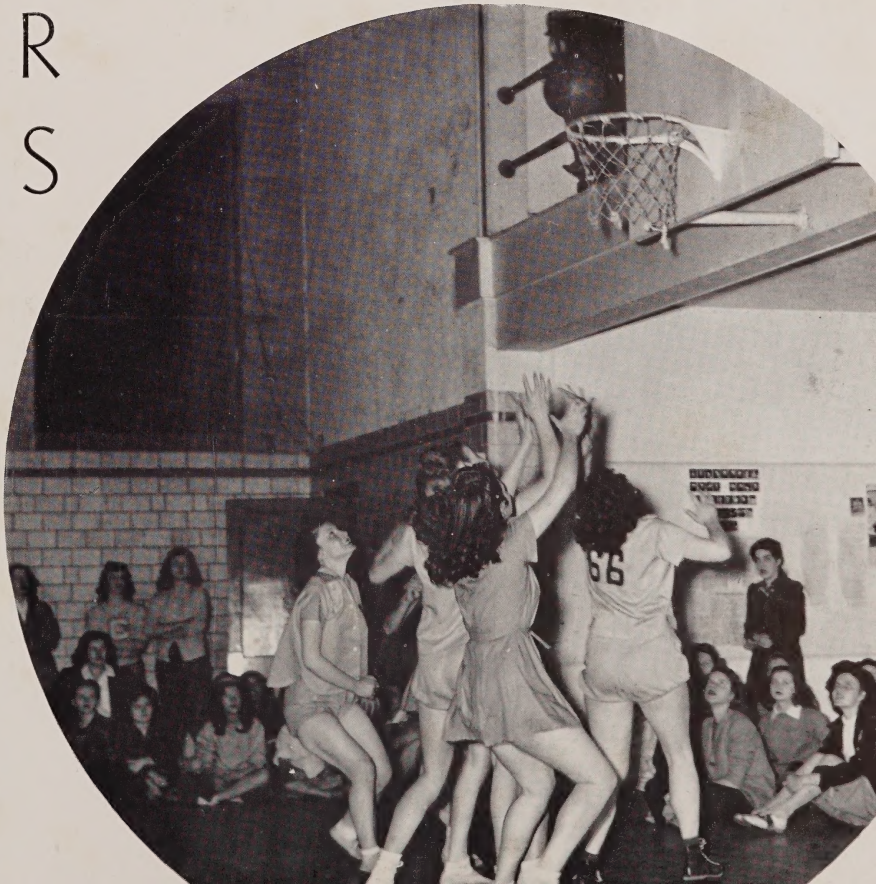


Johnnie Johnson (serving) and Trudy Kent playing a game of tennis, with Frankie Wilson (receiving) and Charlotte Seh.

"Go to the barre, girls" — Those familiar words mean warm-ups with bar-work for the ballet dancer. Results of both class and private lessons are clearly shown in the May Day Pageant and recitals.

A bulls-eye for Ginny Evans!

WINTER SPORTS



V. I. scores in our second game with Marion College.

Rosebud shows how to apply the phrases "heels down, well-rounded wrists, weight up under you"—familiar words to those in the riding ring.

WINTER

The pool is open four afternoons a week and every Saturday night for recreational swims. A good splash is lots of fun—see picture below.

Back Row—MISS DROSTE (*Coach*), ANN PHILLIPS, PAT BEACH, MIGNON BROWN, GWEN WATSON, BETTY PATRICK, BEV HANSON, TRUDY KENT. *First Row*—VEDA MANNING, JEAN HARRELL, JOYCE HOLLOWAY, FRANKIE WILSON (*Captain*), MARY LYN DEWEY, ALBERTA WILSON, and DOT VON BARGEN.

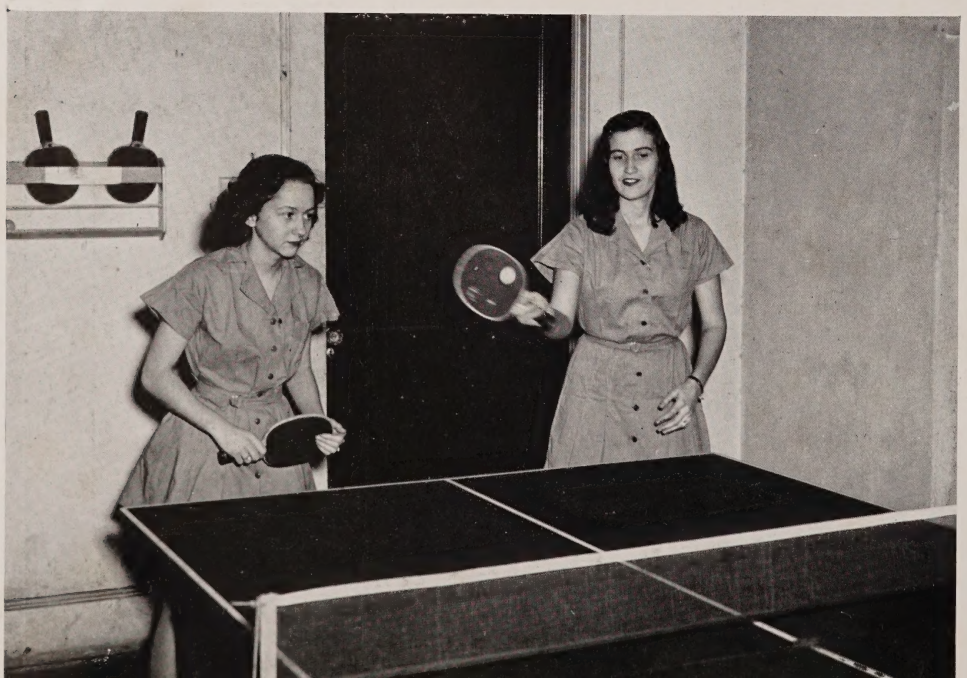
Another phase of class competition—volley ball.

Forced indoors by the winter weather, many of us enjoyed a fast game of badminton—right, Sue?

Jane Chichester and Joy Lester engaged in a game of shuffleboard, a favorite recreational sport.

Alberta Wilson scores again! During the season, this basketball star tallied over 200 points.

WINTER SPORTS



Chole and Jo practice for the anticipated ping pong tournament.

Mignon, Maryhoke, and Betty Paige enjoy archery on a warm spring evening between dinner and study hour.

SPRING SPORTS

Don't look so worried, Nancy—Bev hit it!

Betty Brown Pennington and Rubye Lois Duke in "Honey", a tap dance from the dance recital. The dance department features both class and private lessons in tap.

The spring horse show provides an opportunity for the riders to display their riding ability. Tish Thurman gets a ribbon for her ability to practice her knowledge of equitation.

SPRING

Nelle and Laura—two of the V. I. girls who are real "hot shots" on the courts.

SPORTS

Play ball! To those who played soft ball it meant spring was really here. No more indoor classes—maybe that's why Ginny and Fritz look so happy!

Here some of the girls are practicing for a formation for the spring pageant. You can tell that it wasn't *all* work by the expressions on their faces.

ATHLETIC ASSOCIATION

The Athletic Association is composed of the President, Vice-President, Secretary-Treasurer, Class Representatives, Song Contest Leaders, Presidents of the H_2O Club, Boots and Saddle Club, and Orchesis, and Managers of Sports. Its purpose is to provide opportunity for participation and leadership in sports and to promote good sportsmanship between classes.

Left Side—Jewel Walker, Jeanne Robbins, Alberta Wilson, Margie Bloomfield, Anita Bullock, Marianne McQueen, Pegge Sapp. *Middle Row*—Peggy Wells, Freddie Taylor, Johnnie Johnson. *Right Side*—Jeanne Grace, Janice Walker, Dot von Bargen, Beverly Hanson, Rosebud Miller, Charlia Jack, Trudy Kent. *Not pictured are*: Jo Fowler, Gwen Watson, and Doody Rowell.

SPORT

BOOTS AND SADDLE CLUB

Anyone taking riding is eligible to become a member of the Boots and Saddle Club—by paying the "entrance" fee.

Included in the club activities was the entertainment of several guest speakers who attended some of the meetings. Incidentally, the entertainment was done in the club rooms which have recently been equipped with a new cabinet and new dishes.

Who will forget the "sandwich sales" in preparing for the banquet, which was the biggest event of the year!

Among our many memories will be those of the wonderful rides through the beautiful Virginia trails.

OFFICERS

Pat Richer, *Secretary*; Rosebud Miller, *President*; Trudy Kent, *Vice-President*; Barbara Weir, *Treasurer*; Ruth Shaffer, *Publicity*.

MODERN DANCE CLUB

This year saw the birth of a new organization on V. I.'s campus, called the Modern Dance Club. Members are elected twice yearly at try-outs held in the gym, from students of the Modern Dance Department, who show outstanding creative ability, and are notified by letter. From the club, students work toward the highest honor—the Junior Orchesis monogram. This is the first monogram to be given in Dance at V. I., and the first known Junior Orchesis group to be formed in a Junior college. Members of Junior Orchesis for 1945-46, who have been awarded their monograms for outstanding contributions to dance and the Dance Club, include: Betty Brown Pennington, Pegge Sapp, Joan Lucas, Phyllis Patterson, Elizabeth Whitfield, Helen Sederstrom, Joy Lester, Rubye Lois Duke, and Jullieta Fonseca.

Back Row: Betty Brown Pennington, Flora Geane Dobson, Jullieta Fonseca, Doody Rowell, Phyllis Patterson. *Second Row*—Joan Lucas, Gwen Lang, Jo Wymer, Joy Lester, Rubye Lois Duke, Phyllis Evans. *First Row*—Mary Jo Reynolds, Pegge Sapp. *New members not pictured are*: Elizabeth Whitfield, Helen Sederstrom, Jeanne Griffen, Laura Cantrell, Freddie Taylor, Ruth Shaffer, James Laningham, Frances Lewis, Lillian Baber, and Jane Chichester.

CLUBS

H_2O CLUB

"The Country Club", "two-piece suits", "May 18", were familiar phrases heard throughout V. I. Long hours of working on formations proved that practice makes perfect. Memories of the Club at the Ranch Camp, practicing for our pageant, the lovely people at the Country Club, and the "Bluebird" are never to be forgotten.

Ginny Robinson, Fritz Yow, Claire Snakenburg, Courtney Cable, Betty Rowell, Doody Rowell, Ruth Shaffer, and Sug Lane. *Those not present for the picture were* Tish Schneider, Dee Jay Cox, Dolly Ann Reed, Mignon Brown, and Anne Carter.

Miss Patricia Richer
Editor, THE INTERMONT
Virginia Intermont College
Bristol, Virginia

Dear Miss Richer:

It has been a great pleasure to select the beauty contest for your yearbook, THE INTERMONT. The photographs of the candidates, which you submitted, were all so attractive that I found it difficult to make a decision. It was also difficult to make my selection without seeing and talking to each contestant.

The winners were selected on the basis of personality, character, and intelligence, as well as for natural beauty. My choice was influenced, of course, by my great interest in and admiration for the Natural Girl.

If the contestants are ever in New York, it would be a pleasure to meet them. With best wishes to the contestants, to the staff of THE INTERMONT and to the students of Virginia Intermont College, I am

Sincerely yours,

John Robert Powers

SCHOOL YEAR

'45-'46

Before the glowing embers in some future fireplace, when school days are but remembrance flames in our fireplace of memories, read this page. For such an occasion, it is written.

Remember that lost feeling when you first arrived at V. I., amid the shouts of friends meeting friends and you were sure you were the only stranger among century-old acquaintances? But with the Little Pal Party, you began to feel at home and V. I. found a home in your heart. Wasn't it fun watching V. I. walk off with ribbons in the Rotary Horse Show, and donning our red flannels and beat up jeans for a day's outing as guests of the Kiwanis Club? Then came our first dance, the Hallowe'en Carnival, where we took our first timid beginner's lessons in girl-breaking, and found it was one sure way to dance with whom we wanted. A true feeling of love for school and fellow student pervaded our hearts at the Song Contest, especially when the Seniors, resembling the All-Girl Choir, sang the "Whiffenpoof Song". With amazement we found ourselves already in the swirl of pre-Christmas activities. With the joy of giving, we watched the little children's faces as Santa Claus arrived in the gym, and with humbleness before the Divine, we worshipped at White Vespers. The dance recital and the Christmas Dance gave the finishing touches to our holiday spirits, and we merrily boarded the train for home. Wasn't it hard to come back with the thought of exams ahead? We even did our room chores with our noses in a book. And didn't time fly after exams, with the weary Annual Staff working far into the night at the Hut, and celebrating the completion of their job with the Annual Dance? Weren't you proud at the dance recital, when the dance department displayed the fine results of a year's work, and will you ever forget the array of spring banquets and the gala times we had attending them? I'm sure none of us ever realized the extent of talent at V. I. until the dramatic and music majors gave their recitals during the last few weeks of school. Wasn't it thrilling to watch them receive their flowers and gifts, or were you among the talented, who were so deservingly honored? With the Spring Formal, final exams, parents arriving, the horse show, May Day and Commencement, the year was over, and remember how we sadly packed class blazers and saddle shoes, as we said tear-bathed goodbyes to our friends and V. I.

No, don't stop reminiscing yet. Those are the memories of the big events. What about the little happenings, with their individual meanings to each of us—the bridge games, the long serious talks, waiting for the mail, standing in the package line, crackers and cheese for dessert, the boys coming home after months overseas, new and lasting friendships, exchanging viewpoints with the North, South, East, and West, those dorm beauty clinics, shared sorrows and joys, and numerous others that you will recall because they meant the most to you.

I wonder, as you come to the end of this page, if you won't regret all those X's you once wrote on a calendar to mark off the days, never dreaming that the time would come when you would wish you could erase them and start again—but the flames are reduced to embers, waiting for another occasion, another log of wood, and another log of memory. So, until next time, "It was a wonderful year!"

BUNTING'S FOR DRUGS

Bunting's touches the life of Virginia Intermont as closely as any business in Bristol. It is a great satisfaction to us to know that our Pharmaceutical Department has cooperated with the College Infirmary for many years in protecting the health of V. I. students. All of your films from the bookstore are finished in our Photographic Department, and our Soda Fountain and Toilet Department have always catered to Bristol students. We appreciate your patronage.
